 Brand of equipment _____ Model _____ Serial# _____

Two visits at one great low price

Our regular price for one safety inspection tune-up is \$89.00 and if you where to do both furnace and air conditioning that would be a total cost of

\$178.00

\$135.00

* Annual V.I.P. Club dues

Total savings

\$43.00

Preferred Customer

Less time waiting if you have an emergency or need to schedule routine maintenance on your equipment. Your name will be put ahead of other customers not in the V.I.P. Club that call SCHROYER, INC. for the same type services.

Semi-annual equipment tune-up's

Once a year you will receive a comprehensive safety tune-up on your furnace and air conditioning equipment. This may prevent most equipment failures before they happen, just like your automobile, your furnace and air conditioning is a fine tuned machine that should be maintained with regular scheduled preventative care.

We work on all major brand equipment

With a fully stocked van and most parts available we are sure to get you back up and running in no time.

Savings

15% off your next total repair bill or parts up to a maximum of (\$75.00) off.

History

We keep a record of your equipment and its special needs so you don't need to worry
(we really take our time to do it right the first time)

Agreement can be terminated at any time, for any reason, if you're not 100% satisfied with the service that you receive you will be refunded the unused portion of your dues, minus the cost of the filter or any parts used.

(That's my guarantee)

* Cost of this offer may change at anytime, because the cost of business is always going up.
